

## **Proposed initiatives for at risk 8 – 13 year olds, Term 1 2015**

### **Caralee**

1. Opening a stationery shop.
2. Looking to make the after-school activities at the library available more often and to the whole group.
3. Looking to introduce an after school program so the group can make the chairs and tables they want for the shady areas in the garden.
4. Looking to introduce some fun obstacles in the garden.
5. Looking to introduce a range of different out-of-school games and physical activities.

### **Winterfold**

1. Introducing a breakfast club.
2. Introducing cooking classes.
3. Homework support.
4. Looking to engage someone from PCYC to introduce some out of school activities - basketball, netball, gymnastics.
5. Looking at introducing skateboarding in school.
6. Looking at introducing a school garden with some fun activities.

### **South Lake**

1. Looking to obtain some more sports equipment, including enclosed trampoline, climbing frame, gym mats.
2. Looking to obtain a portable PA so that this group of students can run lunchtime music sessions in the music room.
3. Looking to develop a nature walk/ outdoor activity area, including raised garden beds (veggies and native plants), possibly chooks and activity obstacles.
4. Looking to introduce a regular school dance – but first students have to learn the dances. Older children to be asked to research what dances they should learn and feedback to them.
5. Looking at ways to help students deal with conflict and build strong relationships.
6. Looking to introduce after school specialised art classes – eg graffiti art, indigenous art.
7. Looking to see if we can help the students build their own BMX bikes.
