Approved

4. Actions arising from the minutes

To be discussed as part of the agenda items.

5. Nominations for a new Chair

Jennie Grey was nominated to be the new chair and it was unanimously agreed that she should take on the position. Jennie has accepted the role and we are very fortunate to have her take our working group forward into SWMPF stage 2.

6. Think Tank

Heather reported back on her experience as a referring agent to the Think Tank. She reported that it would be beneficial to the process if the referrals looked specifically at the broader systemic issues being referred about rather than focusing on the specifics of the case.

There are several outstanding issues relating to the previous Think Tank meeting. Actions relating to this are outlined below.

Actions:

- Tracy F to draft letter to Housing Authority and Disability Services Commission.
- Jenni to forward notes from the Think Tank to Tracy to assist in the drafting of the letter.

7. National Disability Insurance Scheme and HACC

Issues were discussed relating to individuals in the NDIS trial sites who would traditionally have been eligible for HACC services but are now being declined for support because they reside in the trial site. This is an issue for individuals who do not meet the eligibility requirements for NDIS.

Heather mentioned that these issues have been addressed in the new HACC Guidelines.

Actions:

- Heather to forward these guidelines to the group.
